## IT PAYS TO BE A FRIEND

Why become a Friend? In what other organization could you expand your circle of friends, enjoy the company of others who share the same interests, and support a valuable community resource all at the same time? As a member, you will receive advance communications from the Friends of upcoming events, meetings, and the opportunity to work with a great group of volunteers.

Established in 2017, Friends of Eagleville Bicentennial Public Library works to support and enhance the library. Raising money, giving their time and talents, telling others about the library – that’s what the Friends of Eagleville Library is all about.

Your membership dues, at whatever level, are vital to our organization and to our library in helping to provide financial support for programs and materials that benefit patrons of all ages.
